AGE: 51

We're not folks. We are Americans with a modern independent view of the world. Career politicians and anti-American policies have failed. Today's issues are complex, but solutions are easy when seen through a red, white, and blue lens. We must put America first!

Veteran San Diego business owner, defense executive, wounded warrior and homeless solutions advocate for 30 years. Began as a Navy rescue swimmer, then pilot serving seven Middle-East combat tours, "Ground Zero" and Hurricane Katrina. Published "Back from Ground Zero" and founded "So Others May Live Foundation" and the U.S. Military All-Stars. Honored with Captain Harry T. Jenkins leadership award and served as Department of State Bureau of Educational and Cultural Affairs Goodwill Ambassador.

Let's put our children, the middle-class, veterans and seniors first. Strengthen our economy with smart government, national security, healthcare, education, and job growth. As a staunch defender of California public lands and energy independence we must protect our environment, eliminate pollution and modernize infrastructure.

Cast your vote with the majority of common sense Americans who believe our values make us great. We will be heard out of the darkness and together we'll step back into the light Free to Lead and Win Again.

**JACQUIE ATKINSON
Reserve Military Officer/ Businesswomen**

AGE: 40

Jacquie Atkinson is a highly decorated, honorably discharged Marine Corps veteran and Wounded Warrior Alumni, with Combat decorations. During her tours of duty she served as a Commander and Combat Engineer, staff officer directly in support of our conflicts in the Middle East while stationed at Camp Pendleton and MCES Miramar.

After serving her country in combat, Jacquie entered the private sector where she works as a National Defense Program Manager in support of the Joint Improvised Threat Defeat Agency and the U.S. Military saving American lives by mitigating the impacts of threats from terrorists such as ISIS. Jacquie's expertise is used for Joint Military Publications and training our U.S. service members on tactics, techniques and procedures used to fight and defeat terrorism around the world.

Jacquie will use her military background, business experience and national security expertise to help fix our broken Congress and reinvigorate the armed forces.

Jacquie's personal military awards include the Bronze Star Medal, USMC Combat Action Ribbon, Meritorious Service Medal, Joint Commendation Medal, Marine Corps Commendation Medal, Joint Achievement Medal and Presidential Unit Citation along with campaign medals.

Elect someone who has always placed her country first, elect a leader to Congress.

AGE: 50

As a husband and father of three young children, a Navy veteran, UAV pilot and university professor I look at our country from various perspectives. No matter the view, the conclusion is the same: our country is in trouble. The elites in Washington continue to tell us things are good and getting better. We all know that's not true. We need sweeping change. Professional politicians and the Washington insiders, have to go.

Our border is wide open and there seems to be little concern for terrorists coming across. My four deployments to Afghanistan and Iraq showed me that we have no coherent foreign policy. Our education system is failing our children; Common Core has got to go. Our country is dangerously divided.

I will work to build a wall at the border and to ensure that our foreign policy is solid and sane. I will work to restore local control to our schools. We deserve a tax system that is fair and not punitive. The police are not the enemy, criminals are. I will work to put programs in place so that law enforcement connects with the neighborhoods they serve and restore faith in those that protect us.

AGE: 39

I am the American Dream.

My parents are immigrants who taught me that I could do anything, because I was born in a land of opportunity. After graduating from college, I worked in the White House, and put myself through Georgetown Law School at night while working on national security issues at the U.S. Department of Justice. I returned home to California to work at a biotech startup on Torrey Pines Mesa, and then started my own small business.

I am running for Congress, because I want all San Diegans to feel like they, too, can achieve the American Dream.

My agenda is simple:

Strengthen our national defense and rebuild our military, Support our veterans in a manner worthy of their sacrifices, Cut the ballooning \$19 trillion national debt and stop out of control government spending, Create new jobs by lowering taxes and eliminating unfair regulations that make it harder for businesses to thrive.

I will work every day to restore decency, respect, and common sense in Washington, and I will work tirelessly to help every San Diegan achieve the American Dream.

I would be proud to have your vote.

JOHN HORST
Cybersecurity Software Engineer

AGE: 48

Thank you for the time you give to your vote in this and every election. The American dream can only be passed on to our kids when our generation is engaged in the life of our communities. Your vote is the most important part of securing a safe and prosperous future.

Over the past ten years I have led various community organizations. As Chairman of the Mira Mesa Community Planning Group I have seen our local leaders struggle to solve problems. Most often they are blocked by federal regulations. I am running for Congress because I know what local leaders need to succeed in helping our communities. I will bring proven initiative and leadership to lift the weight of federal regulations from the shoulders of our community leaders.

My wife and I will watch our oldest son graduate from high school this year. His brother will follow him two years from now. I am also running for Congress for them. When I graduated from St. Augustine High School here in San Diego in 1985, our economy was recovering and we were excited. I want my sons to be as excited about their future as I was about mine.

We must make hard choices to fix our economy. Government is spending far too much and Wall Street is gambling instead of supporting our wealth creators. I will lead, and together we will make the tough choices necessary to renew the American dream for the next generation.

UNITED STATES HOUSE OF REPRESENTATIVES
52nd District

SCOTT PETERS
U.S. Representative, Armed Services Committee

One of America's Most Independent Lawmakers - Congressional Quarterly
An Independent Leader: I have a record of getting things done, working with both political parties to achieve commonsense solutions.

Fixing A Broken Congress: I helped pass a 'No Budget No Pay' bill to withhold Congress' pay if they don't do their jobs, and voted to stop Congress from giving themselves a raise.

Education to Strengthen the Middle Class: I helped pass a bipartisan law to lower student loan interest rates to ease the college debt families face after graduation. All who qualify deserve quality education.

Creating Jobs through Research, Cutting Red Tape: Biotech 'Elected Official of the Year' for helping secure billions of dollars of investment in scientific research for universities and research institutions that create thousands of jobs of the future. To further job growth, I supported cutting unnecessary regulations and introduced a law to reduce tax paperwork for small businesses.

Keeping America Safe: I helped pass an increased Defense budget to combat terrorism. I'm fighting to close loopholes in our criminal background check gun laws and to prevent terrorists from getting guns.

Keeping Promises to Veterans: It's immoral and unpatriotic that veterans wait months for healthcare they've earned. I helped pass a law to reduce wait times, helped get more services for veterans' mental health, and launched a program to get veterans jobs.

Standing Up for Women: I'm the only pro-choice candidate, endorsed by Planned Parenthood.

Together, let's fix Congress. I'd be honored to have your vote. www.ScottPeters.com

**STATE ASSEMBLY
77th District**

BRIAN MAIENSCHIEIN

Assemblymember

Assemblymember Brian Maienschein is the only candidate for State Assembly who brings a lifetime commitment to community service and a record of getting things done. Maienschein attended elementary, middle and high school in the district. He is the only candidate with deep roots in the community who also has children attending school in the local school district.

While serving as a San Diego City Councilmember, Maienschein preserved over 10,000 acres from development in the San Pasqual Valley and spearheaded the completion of SR-56.

Maienschein led the rebuilding of two communities following the devastating Cedar and Witch Creek wildfires, both of which became the fastest disaster recoveries in California.

While serving as the Commissioner on Homelessness, he directed United Way's Project 25, which saves taxpayers millions of dollars every year, reduces homelessness, and serves veterans.

Since his election to the Assembly, Maienschein has worked to protect public safety, build a strong economy, and improve public education. He has introduced legislation that would protect children by providing youth sports leagues the authority to conduct criminal background checks on all coaches. He also drafted legislation changing the law requiring abandoned animals to be destroyed thus saving thousands of animals.

Maienschein was named the Assembly Advocate by Easter Seals for his work with the disabled.

"I am proud to serve this community as your Assemblymember. I will continue fighting for solutions to our state's challenges in the areas of public safety, economic development, and education. I would be honored to receive your vote."

COUNTY OF SAN DIEGO
Board of Supervisors – District No. 2

DIANNE JACOB
San Diego County Supervisor

I fight hard every day to make sure County government works for you.

Preparing for wildfires by securing over \$350 million in firefighting improvements, created the County Fire Authority for better coordination, secured additional ground and air support and decreased response times by 50% for both fire and medical emergencies.

Keeping our neighborhoods safe by beefing up patrol deputies, opened new Sheriff's stations and detention centers, fighting against human trafficking and placement of sexually violent predators in our communities. That's why I have the support of the Sheriff, the District Attorney, San Diegans Against Crime, the Deputy District Attorneys' Association and the Deputy Sheriffs' Association.

Protecting your tax dollars by maintaining a triple-A credit rating, ensuring adequate reserves, cutting pension benefits, no deferred maintenance and building state-of-the-art facilities with cash, saving taxpayers over \$1.3 billion. That's why San Diego County government is consistently rated as one of the best-run in America.

Safeguarding seniors with increased oversight of senior care facilities, protection from financial scams and leadership of the Alzheimer's Project to support victims and help find a cure.

I would be honored to receive your vote so I can continue serving you and your neighbors.

SAVE OUR TREES

An invasive beetle is attacking many tree species in San Diego County.

Known as the Shot Hole Borer, this pest burrows into a tree's bark, lays eggs and carries a fungus that clogs the tree's vascular system, ultimately killing the tree.

The shot hole borer can attack many types of trees including avocado, landscape, riparian and native trees. Dead and dying trees can affect public safety due to falling limbs, flooding caused by blocked waterways, and increased fire danger.

BUY IT WHERE YOU BURN IT

Help local, state and federal agencies in their efforts to contain this damaging pest. Insects and diseases can be transported long distances on firewood. Once they arrive in a new location, they can infest and kill nearby trees. Please use locally sourced firewood to help slow the spread of non-native pests, including invasive Shot Hole Borers.

HOW YOU CAN HELP

- Leave firewood at home; do not transport wood to campgrounds or parks
- Purchase firewood in the area you plan to use it
- Buy wood for home heating from local sources
- Bring only what you need and always burn responsibly
